

Continuing Professional Development for Building Professionals

Project Review - Gateway Upgrade Project

Breakfast - Wednesday 17 February 2010, 7.00am for 7:15am

The Queensland Chapter of the Australian Institute of Building is pleased to present Continuing Professional Development Business Breakfast and presentation by Mr Gerry van der Wal, from Leighton Abigroup Joint Venture (LAJV)

This is an opportunity to listen to an update on the Gateway Bridge Duplication as it nears completion and gain an insight into modern bridge building techniques.

Mr Gerry van der Wal has many years of experience in civil construction and will speak about the changes in the advancements for design, technology and construction methodologies.

Our AIB associate Frankpile Australia Pty Ltd was an integral alliance partner for this innovative project with LAJV and are pleased to sponsor this breakfast.
